CA STUDY CENTRE

While demand of CA is growing day by day in Delhi and other cosmopolitan cities of India, only 8 to 10 percent students preparing to be CA clear the final examination which is conducted by The Institute of Chartered Accountants of India. ICAI is the premier professional accountancy body of the country, established in July 1949, under the Chartered Accountants Act 1949, enacted by the Parliament to regulate the profession of Chartered Accountancy in India.

We observe that despite of so many coaching centres in and around Delhi where hundreds of students are being prepared through coaching and video conferencing etc. for the ICAI conducted examination, only a few get through. Why this type of disappointing situation? Fact finding research shows that majority of coaching centers have overcrowded batches. Obviously personal attention to each student may not be possible under such circumstances.

To overcome this problem, Bharatiya Vidya Bhavan's S.P. College of Communication, K.G. Marg, New Delhi started 'CA Study Centre' of small batches of limited number of students of around 20 to 25 who are really keen to adopt the career of Chartered Accountant. And this way we are able to ensure personal attention to each and every student. Eye to eye contact between the teacher and student is the key of effective coaching which is possible only in small batches, not in the batches of hundreds of students. This is the objective of Bharatiya Vidya Bhavan 'CA Study Centre', where we offer opportunity to prepare the 10 plus 2 passed students for the aforesaid Professional study. We are aware that not more than 10% students preparing for CA clear, which is conducted by ICAI. We will therefore be providing three months intensive coaching at our CA Study Centre in a very serious manner on the basis of ICAI syllabus module. To focus on every student, personal attention needs to be paid by the faculty members.

Procedure

Study of CA consists of the following:

1. Common Proficiency Course (CPC)
2. Integrated Professional Competence Course (IPC)
3. CA-Final

The Institute of Chartered Accountants of India will conduct the examinations of CPC, IPC and CA-Final. Our 'CA Study Centre' will provide 3 months coaching to the selected students appearing for CPC and IPC. For the Final Course, we will recommend the passed out students to the suitable Companies of Chartered Accountants for internship. After 3 years of practical training/Internship, the students will be eligible to appear in the final examination which will be conducted by The Institute of Chartered Accountants of India.

Basic qualification for admission to our 'CA Study Centre'

Ten plus Two with aptitude to Math/Commerce is the basic qualification for registration. However, admission to our CA Study Centre will be subject to the clearance of written test followed by Viva/Interview Interview of the students enrolled for admission which will be conducted by us in the second week of June 2017. Through the entrance test and viva we will test the competence and aptitude of the student for this particular career.
