

Weekend Intensive three months Certificate Course on Cyber Crime, Cyber law and Cyber security

Due to ever-increasing use of internet and devices of modern information technology by people and entities in all sectors of economy, the scope of cyber crimes has now widened tremendously. The most generically prominent types of such cyber crimes are - virus or worm attacks, email hijacking, hacking, DOS attack, online banking frauds, EFT frauds, source code theft, cyber sabotage, online share trading frauds, credit card frauds, pornography, tax evasion, IPR violations, cyber terrorism, and so on. Thus, the ambit of the cyber law is quite extensive, and covers areas of several other laws.

Thus because of the growing rate of Cyber crimes in India and urgent need of its legal remedy, S.P. College of Communication and Management, Bharatiya Vidya Bhawan offers Certificate Course on Cyber Law, Crime and Security.

Duration of course: Three months on every Sat day and Sunday from 3 to 5 PM.

Classes to start in well computerized lab from: 9th June 2018.

Eligibility for admission: Graduates with the basic knowledge of computer application. Law graduates preferred.

Class Fee: Rs.30, 000/- plus GST lump sum.
