

Bharatiya Vidya Bhavan's
Sardar Patel College of Professional Studies
One Year Diploma in Smart Life (DSL)

In this world, you are identified with your personality.

When you apply for job, you discover that only smart people are selected. When you apply for higher education at reputed college, you discover that only smart people are selected.

When you go for matrimonial selection, you also discover that, only smart one gets right match. It is not the qualification, (degrees) it is not the look, or it is not the kindness, it is not the intelligence but smartness alone can make you successful in this competitive World. Unfortunately, smartness is not in-born, but one has to develop it with proper education and sincere efforts.

The Diploma in Smart Life is the need of today's competitive world. You may become a Doctor, Engineer, Accountant, Teacher, Officer or a Manager with several years of learning at colleges. But if you are not smart, then you are always disappointed at several stages of career and life. This Diploma in 'Smart Life' is designed to groom you into exclusive personality, suitable for the career of your choice. Every person has some strengths and some weaknesses. During this training process, you will discover your weaknesses and try to eliminate them. At the same time you discover your strength, and work hard to multiply them. This course focuses mainly on Personality Development, Character building and Physical grooming. Course also trains you for modern methods of communication (Digital Media). This course also includes inputs on entrepreneurship and Business Management, to develop your qualities and confidence to start your own business.

Scope: - After completing this Diploma course. You can boost qualities to get selected in any job of your choice. You can think of starting your own business from home. You get prepared to face Audition Test, Group Discussions and personal interviews. You remain Smart for best of your life.
