

Note

With reference to the quotation invitation for the proposed **Electrical Works**, the original last date for submission of quotations was **28.05.2026**, which was approved vide **Pre-Page No. 154/N**.

Subsequently, as only **one quotation** was received against the invitation, approval for extension of the last date up to **5.06.2026** was obtained vide **Pre-Page No. 155/N** to encourage wider participation and obtain competitive rates.

It is submitted that even after the extension, only **two quotations** have been received. Therefore, as directed by the **Registrar Sir**, it is proposed to further extend the last date for submission of quotations from **5.06.2026 to 10.06.2026** to facilitate participation of more vendors/agencies and ensure adequate competition.

Approval of the Competent Authority is solicited for extending the **last date for submission of quotations up to 13.06.2026**. Upon approval, the extension notice will be communicated to the prospective vendors/agencies accordingly.

Submitted for kind consideration and approval, please.
