

Note

With reference to the quotation invitation for the proposed **Electrical Works**, the original last date for submission of quotations was **28.05.2026**, approved vide **Pre-Page No. 154/N**. Thereafter, due to the receipt of only **one quotation**, the last date was extended up to **05.06.2026** vide **Pre-Page No. 155/N**. Subsequently, the submission date was further extended up to **10.06.2026** with the approval of the Competent Authority to encourage wider participation and obtain competitive rates.

It is submitted that **no additional quotation has been received even after the extension up to 10.06.2026**, and the total number of quotations received remains **two only**. Therefore, as directed by the **Registrar Sir**, it is proposed to further extend the last date for submission of quotations from **10.06.2026 to 17.06.2026** to provide one more opportunity to interested vendors/agencies and to ensure wider competition.

Approval of the Competent Authority is solicited for extending the **last date for submission of quotations up to 17.06.2026**. Upon approval, the extension notice will be communicated to the prospective vendors/agencies accordingly.

Submitted for kind consideration and approval, please.
